

"In my 30 years with the workforce agency in Mississippi, NASWA's A&F Committee was my primary resource. The peer contacts made all over the country; talented, dedicated NASWA staff always ready to assist; and best practices learned from each other proved time and again to be invaluable."

ADMINISTRATION & FINANCE COMMITTEE

The NASWA Administration & Finance (A&F) Committee serves as a forum for Chief Financial Officers, Budget Directors & Officers, Controllers, Executive Director's Office of Administration, Chief Fiscal Officers, Strategic Operations Managers, and others who deal with member financial, budget, grant, and funding issues. The A&F Committee reviews and provides methods for the exchange of information among states about federal appropriations, resource justification, new state and federal regulations, federal audit and financial reporting systems, and other finance-related issues.

COMMITTEE OBJECTIVES

Data Collection. Produces a series of surveys to provide a better understanding of funding issues affecting the operations of state workforce systems.

Advise and Communicate with NASWA Board of Directors. Alert the NASWA Board of Directors of changes in policy or operations that impact the states.

Share Promising Practices. Through meetings and calls, participate in informed discussions to share state-based financial issues of concern such as the calculation of the indirect cost rate.

Strengthen Relationships with Federal and State Partners. Work with the U.S. Department of Labor (USDOL) on financial reporting issues, funding issues identified by states, and trends affecting administration of USDOL programs.

Collaborate with NASWA Committees. Promote awareness of federal appropriations, resource justification, and other finance related issues with other NASWA groups and Committees.

Educate State Finance Staff. Engages members to determine appropriate federal/state financial reporting requirements and conducts regular in-person events to educate state staff.

ENGAGEMENT OPPORTUNITIES

The NASWA A&F Committee generally meets in-person three times a year with special virtual meetings to deal with current issues. To find out more about upcoming meetings, visit the [NASWA website](#).
